FOREWORD

The members of the staff present this, the eighteenth edition of the *Crystal*, to you, the students and faculty of Clay High School. In this edition as previously we have presented a pictorial version of our activities.

We wish to express our gratitude to our worthy advisors the Misses Bickelhaupt and Fulton for their splendid cooperation, and to the photographers and printers who have aided us in publishing this annual.

DEDICATION

In deciding the dedication of the Crystal this year the staff unanimously agreed upon Mr. Ralph Runyan and as a result we have chosen Music as the theme to present to you.

Affectionately known as "Chief" by his students, he has been the guiding hand of our music department for the past eighteen years and has earned for our Glee Club the reputation of being one of the finest A Cappella choirs in the Toledo area.

All who know Mr. Runyan love him for his warm, friendly personality. He is an inspiration to those of us who some day aspire to become musicians.

So it is with great pride that we of the staff dedicate this eighteenth edition of the Crystal to the "Chief".

" . . . The door I opened to my heavenly guest,
And listened, for I thought I heard God's voice;
And, knowing whatso'er he sent was best,
Dared neither to lament nor to rejoice.
Then with a smile, that filled the house with light,
"My errand is not Death, but Life," he said;
And ere I answered, passing out of sight,
On his celestial embassy he sped."

Senior Class History

The old school building under the elms settled creakingly down on its foundations. Its huge black hulk sprawled comfortably beneath the full moon that flooded the campus with light.

"Ho hum," rumbled a voice from the building's depths, "another year almost gone. I wonder how many of my children are leaving this spring? About ninety-five I think there are.

"Ah, I remember the day they came here. It seems just yesterday. I felt so sorry for them. I always feel sorry for the Freshmen. They look so bewildered! They didn't make much of an impression that first year. They sort of stayed in the background. But I knew that class was going places. They had that look about them.

"It was their Sophomore year that they began showing their merits. They took part in everything around here. Athletics, clubs and oh, yes, that year their class raised the most money for the big new stadium out there.

"By the time they were Juniors they had made quite a name for themselves. I remember their Junior Class Play and their "Prom". I think being upper classmen went to their heads a bit, but they soon grew out of it.

"And now they're Seniors—almost ready to graduate. This last year has really been their best I think. They led the field in everything. They started right out raising money for the Memorial Gate, early last fall. They fairly rocked these old halls with dances, benefit performances, shows and their class play. Yes, wherever that Senior Class was, there was bound to be excitement!

"But now it's almost over. I don't know why I always feel so bad every year. I know there'll be another class, but somehow . . . I hate to see them go."

A sound like a great sigh echoed gustily through the old building's empty halls as the voice trailed away into silence.

Once more she creaked her timbers and settled on her foundations. Then all was still and the old building called Clay High School slept silently under the tall elm trees.

INAUGURATION INTERRUPTED BY IRATE CANDIDATE

First woman candidate vows "I'll be back in four years!"

The inauguration festivities for President Albert Ward were disrupted last night by the defeated, but still fighting first woman candidate, Carolyn Engel. The inauguration ceremony was followed by a banquet. President Ward was leaving the banquet when Miss Engel forced her way through a group of onlookers and hurled a brick at the new president's high silk hat. Ward was momentarily stunned. One of the president's bodyguards, Bill Ehram, forcibly restrained Miss Engel after a considerable struggle. Miss Engel was heard to say as she was hustled out, "I'll be back in four years. I'll be the first woman president yet! I WILL, I WILL!!"

Featured entertainers at the banquet were Delmont Hosley and Barbara Taylor in a trumpet and vocal duet. Both are featured soloists with Don St. John's popular dance band, the DON JUANS. The first appointments made by Ward were Kenneth Ritter as ambassador to Russia and David Shulko as Secretary of the Automotive Industry.

SILHOUETTES

By Jim Schmidlin

It matters not what I may eat or whom I chance to see
The nightmares that I have each night remind me, dear, of thee.
Your eyes are like the limpid pools that in the Maumee dwell,
Your hair is like the hanging moss found in the deepest well.
Your mustard plaster complexion is matched by none I know,
Unless it be the luscious mold that on the bread doth grow.
And so my dear as night draws near and shadows softly fall,
I wish that you were here with me—onion, garlic and all.

SPORT SHORTS

By Mike Elekonich

Army once again this year has a powerhouse team under the expert coaching of Virginia McCroskey. The first string consists solely of Coach McCroskey's eleven eldest sons, all of whom are unanimous choices for All-American. It will be the first time in the history of football that there will be eleven All-Americans.

Coach Don Breese of Notre Dame reports that he has not yet decided whether or not his Fighting Irish will encounter the High-flying Eagles of undefeated Clay. It is rumored that Notre Dame is wary of grappling with this superior Ohio team.

Harold Shank and Bob Thompson will represent the United States in the Track event of the Olympic Games to be held this forthcoming year in the Congo Basin.

"Fundamentals of How to Win GNC Championships" has recently been released by the publishers. The author of this book is last year's All-American tackle, Dick Freshour. Coach Wallace of Clay High School is the co-author. Marty Freshour, the author's brother, is finding this book very helpful to his "Battling Buck-eyes" of Ohio State.

The Women's Hockey League of East Toledo will meet with ladies of Lower Louisville (also a hockey team) next Wednesday at the Sports Arena. This game is a grudge affair, but it will be a decidedly fair refereed game under the watchful eye of Bettelou Hettrick, one of the league's best referees. Featured stars on East Toledo's team are Marjorie "Whirlaway" Wagner, Donna "Up and at 'em" Urban, "Speedy" Shirley Stewart and "Slugger" Virginia Schrader. Captain "Mad Man" (or vice-versa) Clara Miller reports the team to be in top shape for the tilt.

Junior Class History

It was in the fall, September 10, 1945, when one hundred-fifty new faces appeared at Clay High School. Of course, we were freshmen. We got really busy and elected our class officers. Donna McClintock was chosen president; John Cavas, vice-president; George Ackerman, secretary, and Dale Seckinger, treasurer. Our Student Council representatives were Pat Daney, Lester Meier, Helen St. John, and Dale Seckinger.

We were just getting over the excitement of being freshmen when before we knew it we were sophomores. Nancy Hindie, Lester Meier, Helen St. John and Tommy Keckstein represented us as Student Council members. Election for class officers was held again. This time we chose Jim Liptack president, Rolland Schumaker vice-president, Virginia Tank secretary, and George Ackerman treasurer. We all looked forward to being upper classmen.

Here we are upper classmen. Great expectations are finally reached—class rings, prom, class play—all these things are in our grasp at last. We have these Student Council members: Nancy Hindie, Ludwig Spring, Lester Meier, Helen St. John, Nancy Nightingale, and Tommy Keckstein.

Next year we will reach the top rung of the ladder. We will be seniors.

Sophomore Class History

In the fall of 1946 one hundred and fifty-five boys and girls began a new adventure as Freshmen in Clay High School.

To lead them on this adventure were Miss Boles, Mr. Huyck, Mr. Schaller, and Mr. Needles.

Their first concern was to elect officers. This was accomplished at their regular class meeting. Alvin Bargahiser was elected President; Don Mercer, Vice-President; Mary Lou Klebold, Secretary, and Bonnie Sibbersen, Treasurer. Student Council Representatives were Janyce Blessing, Alvin Bargahiser, Neal Crews, and Jenny Szuch.

With all the various activities and work they had a wonderful year.

After summer vacation these same youngsters returned to Clay, only this time as Sophomores. They numbered one hundred and thirty-five, and were just as anxious to begin their activities as they had been the year before.

Previously elected officers were: Bob Wisdom, President; Jackie May, Vice-President; Bonnie Phillips, Secretary, and Bob Breese, Treasurer. Don Mercer, Clara Donnelly, Ruth Schumaker, and Lois Higley were Student Council Representatives.

Advisors were: Mr. Berkey, Mr. Potter, Mr. Wallace, and Miss Scheehle.

Soon these students will be Juniors and they hope the forthcoming year will hold as much enjoyment as the previous years have.

Freshman Class History

One day in September of 1947, the second day to be exact, a group of people entered Clay High School as greenhorns—the Freshmen! These 165 greenhorns of higher learning were located in five bulging homerooms. Miss Boles had room 1; Mr. McCabe had 107; Mr. Schaller had 108; Miss Fulton had 109, and Miss Bickelhaupt, the class advisor, had room 106.

They started the year off right by electing their very capable class officers. Barbara Pancoff was elected president, Roger Rose was selected vice-president, secretary was Bill Long, and treasurer, Jim Momenee.

Since the treasury did not have much capital (\$00.00!), the class decided to sell magazine subscriptions to raise some money. It was a furious race and the homerooms that lost treated the winning homerooms to a party after school. They raised \$173.13. Room 108 was the winner.

Their Student Council representatives were Roger Rose, Barbara Pancoff, Henry Schumaker, and Ted La Course.

We hope that the Freshman Class will continue making Clay a better school and that they may enjoy their activities and studies even more in their following three years than they did as Freshmen.

The Student Council is a very important link in the running of our social activities. Our council this year in conjunction with the Senior Class, sponsored a courtesy campaign. This committee visited various schools throughout the year, to see how the schools were run. The committee used this information to try to improve our own school. The Student Council sells ice cream during lunch periods to help finance our "Crystal". The council is responsible for the fine noon program that was so effective and for other social activities such as dances, pep meetings, and assemblies.

National Honor Society

The National Honor Society is just what the name implies—an honor society. The members are chosen by the faculty. Merits considered are scholarship, leadership, service, and character. The organization undertakes some project each year. This year the society supervised the bulletin boards and the honor roll.

Members from last year's club include Carolyn Engel, Jeanene Giese, Janet Hintz, Al Ward, and Don Spangler. New senior members were Shirley Gladieux, Theresa Gladieux, Jane Smith, Nancy Fox, Don Breese, and David Harris. These members in addition to those elected at the end of the first semester were formally inducted in February. Our advisor again this year was Miss Ray who, by her untiring efforts, was largely responsible for the success of the organization.

The purpose of the Zetalethean Literary Society is to promote the literary interests of the members. The secondary purpose is to teach good fellowship, consideration of others, the value of co-operation, and commendable school spirit.

At various meetings of the year, club members studied Ohio Authors, the place of the Negro in literature, biographies of important men whose birthdays fall in February, and the customs and literature of Christmas in other countries.

The roll call was answered each time with names of authors, stories, or books in keeping with the program designated.

As a special service to the school the club bought several books for the library.

The aim of the Cap and Dagger, this year, has been to aid those members of Clay High School who are interested in dramatics and to give them a chance to appear before an audience. The club was slightly handicapped due to the fact that many meetings had to be held after school.

As the Junior Dramatics Club was not organized this year, its members were taken into the Cap and Dagger on a temporary basis.

The Junior Classical League is no longer a young member of the national association, known by the same name. She, or should I say he, is now an established member of two years standing.

Don't let the "classical" fool you; they are very modern. Among their many activities are: a trip to Libbey High School to look things over and taste their food—which, incidentally, is no better than ours, a splash party, and discussions of ancient times.

If you are interested in things classical and modern, by all means make yourself a member of our jolly group.

The purpose of the Spanish Club is to give students a better knowledge of Spanish customs and ways, and to further the good neighbor policy between students of this country, Mexico, and South America.

Members of the club correspond with students of Mexico, Chile, Argentina, Costa Rica, Ecuador, and Columbia. The name of the club is "Buenos Vecinos" which means "Good Neighbors".

Their activities were: a magician show, a movie, a sale of photographs, and a sale of school tags. They also had a Christmas party and gift exchange. The club activities were sponsored for the purpose of raising money to buy a set of Spanish records.

The F. T. A. is an organization of recent origin which is intended to familiarize students interested in teaching with the profession. The Clay Chapter of the group was the first in the county to be installed in the national program. The chapter name is the "Josephine Fassett Club" in honor of our superintendent who has devoted her life to the cause of education in Oregon Township.

The Club has been very active this year. On October 27, 1947 the members served as guides at the annual open house; on October 31 they ushered at the Northwestern Ohio Teachers' Association at the Civic Auditorium. Induction by the team from Scott High School under the direction of Miss Irene O'Brien took place on November 19. The Clay High Mother's Club served a tea in their honor. During the year members substituted in the schools of the township. In April, while a reading demonstrator was in the system, the F. T. A. had charge of various classes in the grade schools. Miss Fassett provided a treat for the members who went with her to the educational conference at Heidelberg University. Some members attended the Lucas County Teachers' Meeting at Ottawa Hills High School on April 15.

This Club is sponsored by the faculty of Clay High School.

The Future Farmers of America is a national organization of farm boys studying vocational agriculture. The aim of this organization is to promote citizenship, leadership, scholarship, thrift, service, and co-operation.

The Clay Chapter has local corn-husking, livestock, and poultry judging, and pest contests. The district activities include public speaking and parliamentary procedure contests. Each spring, teams are entered in the various state judging contests. At this time Clay is also well represented at the state convention. In the fall two delegates are sent to the national convention. The boys also engage in athletic contests with other chapters and have an annual parent and son banquet. This year the boys are making one radio broadcast each week over WTOL. For one week during the summer some of the boys go to the state F. F. A. camp. The members display their projects at the local, county, and state fairs. This year Rolland Turnow, past president of the Clay Chapter, is directing the work of the state association as its president. All of these activities are made possible under the supervision of the advisor, Mr. Hartsook.

Club

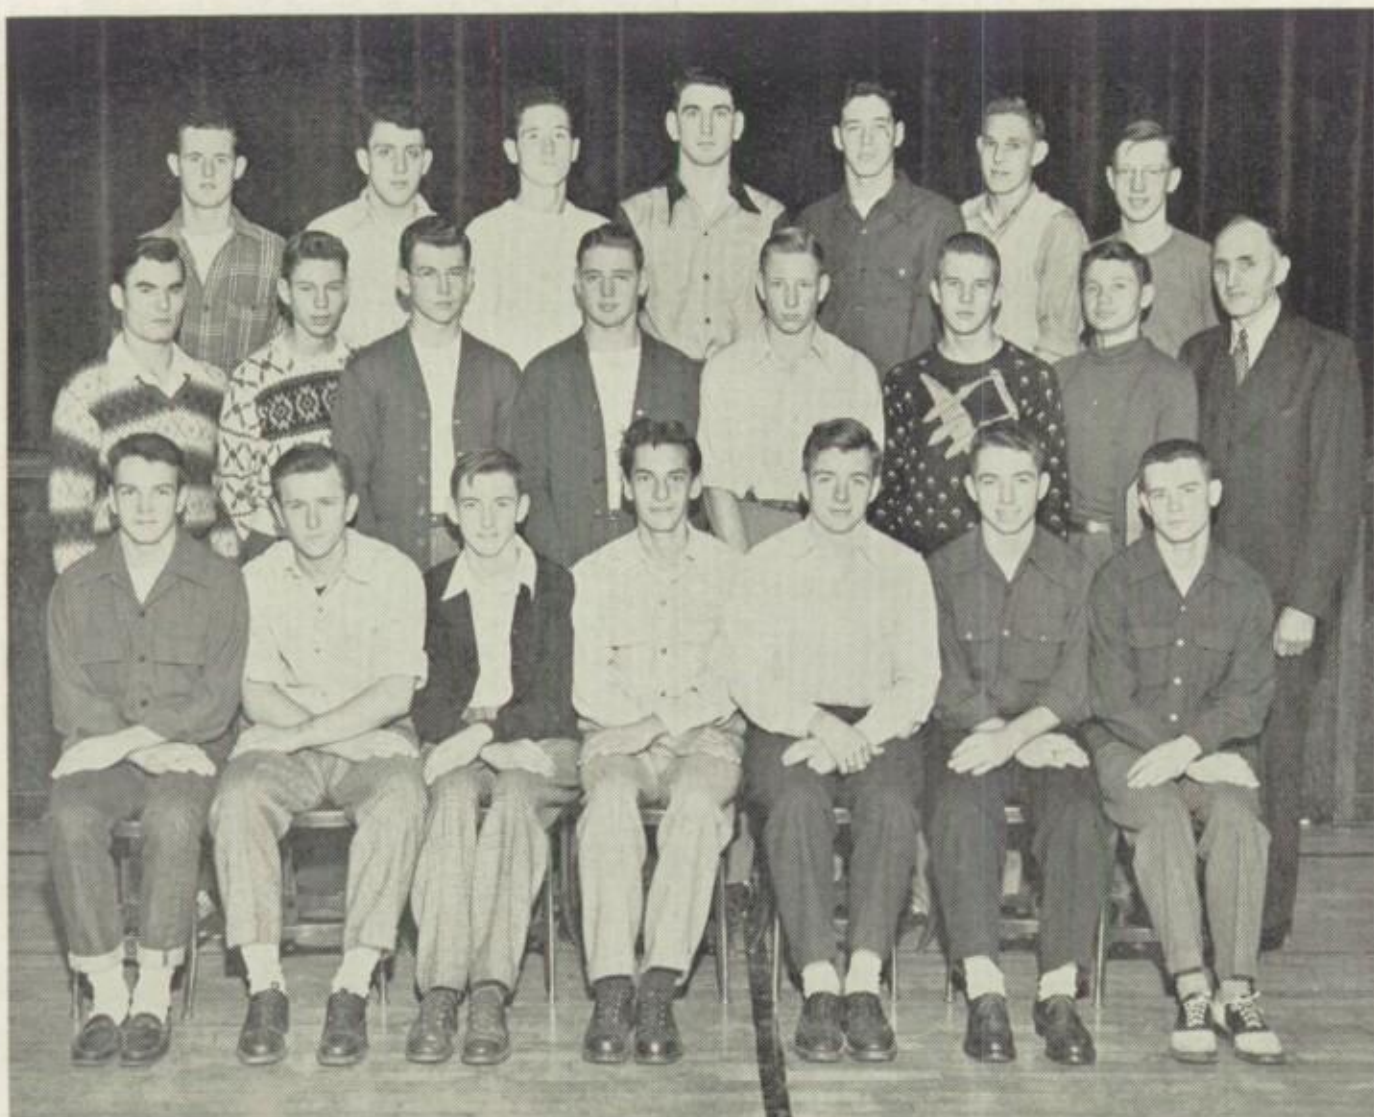

Our club required all members to present a completed frame model plane for display at the beginning of the school year. These planes then were displayed in the library.

In the fall, demonstrations were given by the group with gas power models and rubberband driven planes.

Poor flying weather drove the club inside where the gym was used for light R. O. G. planes and demonstrations of display models.

Plans and regulations are made for three contests to be held in March, April and May. Rubberband models, gliders and gas powered planes will be entered in these contests. Gold, silver, and bronze medals will be presented to each prospective winner of the event.

The Club boasts of several active feminine members along with outstanding craftsman fliers.

We started off fine this year with capable officers and a substantial treasury. However we wanted to make more money so we have made and sold programs for the football and basketball games, and collected revenue from the Sales Tax Stamps.

The girls cooperated with the F. F. A. boys in packing Christmas baskets. We also made up boxes of Christmas cheer for bedridden citizens in our community. As is customary we sent two girls to camp conference last summer.

The new picnic oven for the school campus was our main project this year.

We certainly had a busy club this year! A bit smaller than last year, but then, good things come in small packages.

Amid our offerings toward the benefit of mankind, we made a trip to the orphanage, bearing gifts, food, Santa Claus (Mary Lou Sweeney), and hearts, soft as down, for a Christmas Party. I honestly believe we enjoyed it more than the children!

We also bought a Christmas Gift for our absent member at the William Roche Hospital, sold pennants, and held some very successful bake sales.

We have another industrious club! Working for the Red Cross is their philanthropical project this year. So far they have made eighty folders, and in the near future they are planning to knit six inch squares for an afghan and to pack food boxes in the spring.

To help their finances they are sponsoring a movie and collecting tax stamps.

The purpose of this Freshman Club is to further friendship and help where they can throughout their community.

Fun was had by all in the Girls' Athletic Association this year.

We held dances after some of the home basketball games, and sold pencils to raise money for a gala banquet in April at which the G. A. A. Girl of the year (chosen by two teachers and two students) was awarded a trophy. The four necessary qualifications were: (1) attendance, (2) good sportsmanship, (3) leadership and personality, (4) and willingness to work. This is something toward which all G. A. A. girls should aim their efforts.

The junior and senior girls enjoyed the initiation the poor sophomores had to go through. I dare say, the feeling was *not* mutual.

Girls' Intramurals

Under the leadership of Miss Scheehle, with the assistance of Donna Asmussen and Dorothy Morse the girls' intramural program for 1947-48 was under way.

The first competitive sport was indoor. The teams of Donna Dresser and Shirley Kleine took first place. Alice Cook's and Beverly Sindlinger's teams came in second.

In the speedball tournament teams two and three tied for first place in the first noon hour, and in the second noon hour Elaine Coon's team was in first place.

The basketball teams were chosen from the physical education classes and as yet have not been organized.

Boys' Intramurals

The boys' intramural program got under way this year, as usual, with softball. They were divided into two groups; the first consisting chiefly of Freshmen and Sophomores and the second, Juniors and Seniors. In the Freshman-Sophomore group, Leonard Vincent's team came out in first place, while Albert Ward's team took first in the Junior-Senior tournament. Touch football followed but, due to bad weather, the season was not completed. At the end of five games, Alvin Bargahiser's team was ahead in its division while Bill May and Jack Fryman tied.

During the winter, basketball and volleyball took up the time, and in the spring baseball again came into the spotlight.

The faculty advisor was Mr. Potter who was assisted by two student managers. This year these were Bob Thomas and Dick Patznick.

The glee club under the direction of Mr. Runyan, again upheld its high standards this year. They gave choral programs for various churches and organizations and they also sang in the Great Northern Festival. During the Christmas season they caroled in the surrounding schools. Again this year their outstanding event was the Jamboree held May 5, 6, 7.

The band this year has been very active. During the football season it played at all the home games and at the Oak Harbor, Whitmer, and Sylvania games. The band also participated in the Armistice Day Parade, November 11. After the marching season was over the band settled down to playing concerts for the various grade schools. During the month of March a campaign for buying new uniforms was launched. To raise more money for uniforms the band also sponsored a basketball game at the Sports Arena and the band, majorettes, and the drum major performed at the half time. The band has a new instructor this year, who is Mr. Harold Will. The band owes much to its success to Mr. Will for his untiring efforts in directing us and helping us in our band formation.
